Trick or Treat

Monday, October 31

5:00 — 8:00 p.m.

Fire at the Park

As most of you know, the Village suffered a total loss when the new park building was struck by lightning and burned to the ground on July 24. Plans are to re-build and we hope to have the outside shell done before winter.

**Congratulations to Yoshukai Karatedo
Kenkyukai & Sensei Clay Roberts on the 10
year business anniversary!**

Williamsville Flag Design Competition

Congratulations to Joe Morrow, a 2016 graduate of Williamsville High School on his winning flag design! The final selection was made at the July 11 Village Board Meeting. Congratulations also go out to Emma Walbert, a Junior at WHS for her 2nd place design and also to Katrina Johnson who is an 8th grader at Williamsville Junior High School for taking 3rd place. Thank you to all the students who submitted designs and to all who came out and voted, too!

Lawn Refuse

Burning will be allowed again from September 15 through December 15, 2016. Please remember that wind speeds must be 14 m.p.h. or less to allow burning. Also, the burning must be done alongside the road or alley, not in the street or alleyway. Please take others into consideration when you are burning!

We will continue to pick up branches and bags thru late Fall according to the regular schedule: East of Carter on Mondays; Elm thru Carter on Wednesdays; and West of Elm & Knollwood on Fridays.

Get Involved — Volunteer!

Most residents and visitors will agree that the Village of Williamsville is the epitome of small town America. We have community "spirit" — festivals and events, a Library that caters to children and adults, a beautiful downtown boulevard and a community park that hosts both sporting events and family picnics. Residents come out for events and enjoy the small town community feeling that comes with these places and activities.

It is the volunteers in the community who keep this spirit going. We are fortunate to have several community organizations that make this Village a great place to live! All of them could use some volunteers for extra hands and ideas. The Williamsville Community Foundation, Garden Club, Friends of the Library, Fire Department, and Little League are some of the organizations that could use your help. Please consider volunteering — it's a fulfilling endeavor! Get to know your neighbors and make new friends. Contact the Village Hall or visit our website for information on how you can get involved. Thank you!

PUBLIC LIBRARY & MUSEUM

Book Club: The Girl Who Slept with God

We will discuss **The Girl Who Slept with God** by Val Brelinski on Thursday, September 29, at 7:00 p.m. In the summer of 1970, just before her 14th birthday, Jory Quanbeck's father deposits her, along with her sister, Grace, in a small house on the outskirts of Arco, Idaho. As Jory later attempts to explain the situation to their elderly neighbor, Mrs. Kleinfelter, "We're having some family problems." Those problems, viewed through Jory's eyes, are at the center of Brelinski's intriguing story of a close evangelical Christian family. At age 17, Grace has embraced witnessing for her faith, and she travels with other Garden of Gethsemane Church members on a mission to Mexico. But she is sent home early, pregnant with (she insists) the child of God. Without parental guidance and without Grace paying much attention, Jory makes some bad teenage choices, especially in befriending Grip, the drug-dealing ice cream truck driver, as she tries to make sense of what's happened to Grace.

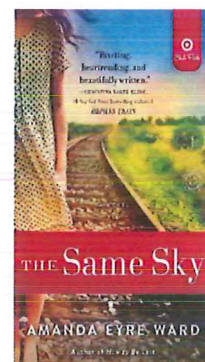

Story Time

Story Time returns on Wednesday, September 14 at 10:15 a.m. and 6:30 p.m. This program will feature 10 weeks of fun with guest storyteller Tracy Tisckos. Tracy has some wonderful things planned as we explore stories, games and crafts while learning about Fall, friends, community helpers, outer-space, bears and even elephants. Programs will last about an hour and are designed for 2-4 year-olds and their caregivers, but as always everyone is welcome and no library card is needed. We are excited about this new adventure with Tracy!

Book Club: The Same Sky

On Thursday, October 27 at 7:00 p.m., we will discuss **The Same Sky** by Amanda Eyre Ward. Alice and her husband, Jake, own a barbecue restaurant in Austin, Texas. Hardworking and popular in their community, they have a loving marriage and thriving business, but Alice still feels that something is missing, lying just beyond reach. Carla is a strong-willed young girl who's had to grow up fast, acting as caretaker to her six-year-old brother Junior. Years ago, her mother left the family behind in Honduras to make the arduous, illegal journey to Texas. But when Carla's grandmother dies and violence in the city escalates, Carla takes fate into her own hands—and with Junior, she joins the thousands of children making their way across Mexico to America, facing great peril for the chance at a better life. In this elegant novel, the lives of Alice and Carla will intersect in a profound and surprising way. Poignant and arresting, **The Same Sky** is about finding courage through struggle, hope amid heartache, and summoning the strength—no matter what dangers await—to find the place where you belong.

So if you have to renew your driver's license this year, come to the Library and Museum and put your worries to rest.

Friends of the Library/Museum

The Friends group will meet on Monday, September 12, at 6:30 p.m. in the multi-purpose room to discuss sponsoring various library/museum activities. Join us as we discuss new programs for adults and children. The facility is open and now is the time to plan how to use it wisely. Something for everyone was the goal and now help us achieve that through planning programs and activities that benefit the community.

Karate Workshops

The Williamsville Public Library and Museum (WPLM) will be hosting free karate workshops this fall with Yoshukai Karatedo Kenkyukai, our local karate dojo. The events are in honor of Sensei Clay Roberts celebrating ten years of leading his dojo in Williamsville. Sensei Roberts has shared his passion and enthusiasm for karate with hundreds of students through multiple weekly classes in Williamsville. Sensei also teaches karate at the Kerasotes YMCA, and he has offered self-defense clinics for local Girl Scouts, Boy Scouts, 4-H groups, and women. All of Sensei's teaching is based on the philosophy that self-discipline, focus, and skill can be improved through practice.

The events at WPLM will be an introduction to a variety of self-defense techniques based on the controlled, strategic movements of martial arts. The workshops at WPLM will begin at 2 p.m. and will be offered on the following Saturdays: September 24 (grades K-4), October 1 (grades 5-8), October 15 (high school students) and October 22 (adults). WPLM will have extended hours and provide light refreshments for parents or grandparents waiting for participants. Although the workshops are free, registration is limited to ten participants per session. To register please e-mail your name and the session you would like to attend to Natalie at nabilltownlib@yahoo.com.

WILLIAMSVILLE VOLUNTEER FIRE DEPARTMENT

Chief: Scott Gaddy
Deputy Chief: Jeff Menke

The WVFD is staffed by dedicated men and women of the community who respond 24/7, 365 days a year to fire, medical and other emergencies. Meetings are held every Thursday evening at 7:00 p.m. If you are interested in becoming a member of our team, call us at 566-3311 or visit us at one of our meetings.

Chief's Note: We will be serving breakfast burritos at the Fall Festival on Saturday, September 10.

Volunteer Recruiting

The Fire Department is interested in recruiting people available during the day who would like to join the Department but who work nights or are otherwise unavailable during our regular Thursday meetings. Training, uniforms, protective gear and the opportunity to help your neighbors will be provided to new members. If you would like more information please call 566-3311.

Hydrant Testing

During the month of September the Fire Department will be conducting hydrant testing throughout town. Hydrants are tested annually to determine how much water is available for fighting fires; survey the general condition of hydrants and find and repair any inoperable hydrants. During the testing you may experience a temporary drop in water pressure and rusty brown or cloudy water. This will subside after the testing is completed.

Safety Note: Heart Attacks

Don't wait to get help if you experience any of these heart attack warning signs. Although some heart attacks are sudden and intense, most start slowly, with mild pain or discomfort. Pay attention to your body — and call 911 if you feel:

Chest discomfort

Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness or pain.

Discomfort in other areas of the upper body

Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw or stomach.

Shortness of breath

With or without chest discomfort.

Other signs

May include breaking out in a cold sweat, nausea or lightheadedness.

Symptoms Vary Between Men and Women

As with men, women's most common heart attack symptom is **chest pain or discomfort**. But women are somewhat more likely than men to experience some of the other common symptoms, particularly **shortness of breath, nausea/vomiting, and back or jaw pain**.

Act Fast

Learn the signs, but remember this: Even if you're not sure it's a heart attack, have it checked out. Minutes matter! Fast action can save lives — maybe your own. Don't wait - call 911 or your emergency response number.

Call 911

Calling 911 is almost always the fastest way to get lifesaving treatment. Emergency medical services (EMS) staff can begin treatment when they arrive — up to an hour sooner than if someone gets to the hospital by car. EMS staff are also trained to revive someone whose heart has stopped. Patients with chest pain who arrive by ambulance usually receive faster treatment at the hospital, too. It is best to call EMS for rapid transport to the emergency room.
